

GRAPHIC ERA HILL UNIVERSITY, DEHRADUN

Profiling Sheet

Q.1: Write your career objective.

To build a successful career in the field of CS, where I can apply my technical knowledge, continuously learn new skills and contribute to developing secure and efficient systems.

Q.2: Why do you want to be an engineer? Elaborate reasons.

I want to be an engineer because I enjoy solving problems and understanding how systems work. Engineering allows me to apply logical thinking and creativity to real-world challenges. In CS especially cybersecurity.

Q.3: Write about projects or internship you have done/ are doing along with the learning.

I have made 4 projects in ^{total} ~~my 2nd~~ in both 1st and 2nd year combine and from all that projects, I have learned new skills.

Q.4: What would you consider a significant achievement in your life and why?

One of my significant achievements is consistently improving my technical skills despite academic challenges. For example, after struggling in some subjects, I started focusing more on concepts and practice.

Q.5: Write about a failure of yours which you consider to share. What have you learned from it?

I faced failure when I got backlog in one subject. It was disappointing, but it taught me the importance of consistency and proper planning. I learned that last-minute preparation is not effective, and now I focus on regular study and concept clarity.

Q.6: What are your strengths? Write one or two instances where you have demonstrated your strengths.

My strengths are consistency and problem-solving ability.

For example, while working on my portfolio, I faced many issues, but I kept trying different approaches until I solved them.

Q.7: Write about your weaknesses. What are you doing to overcome your weaknesses?

My weakness is that I sometime overthink and delay starting tasks.

To overcome this I am working on:

- Better time management
- Following daily schedule.

Q.8: What is the most difficult moment that you have faced in your life so far? What qualities helped you to overcome the moment?

A difficult moment in life was handling academic pressure along with self doubt after poor performance. I overcame it through determination, discipline and focusing on gradual improvement rather than instant results.

Q.9: Apart from academics, what else are you interested in?

Make a separate list in terms of extracurricular activities, sports and any other interests.

- Extracurricular → Learning web development
→ exploring cyber security concept
- Sports → Badminton
→ Light fitness training

• Others → Learning new technologies

Q.10: Give an example of an area, concept or thing that you are absolutely passionate about.

I am passionate about technology and cyber security.
I enjoy learning how systems work and how can they be protected from attacks.

Q.11: Describe yourself as an individual in 5 lines.

- 1) I am dedicated and goal-oriented.
- 2) I believe in continuous learning and self improvement.
- 3) I am hardworking and consistent in my work.
- 4) I like solving problems and learning new technologies.
- 5) I stay focused on my goals and work hard to achieve them.

Q.12: What kinds of people do you enjoy working with?

With the people who are:

- 1) positive
- 2) Supportive

Q.13: What kinds of people you don't want to work with?

What would you do if they became your senior in your dream job?

I don't prefer working with people who are -ve or unwilling to learn.
If such person becomes my senior, I will stay professional and focus on my work.

Q.14: What do you expect from your first job? Prioritize and write in order.

- 1) Learning opportunities
- 2) Skill development
- 3) Good work environment
- 4) Career growth
- 5) Financial stability

Q.15: In the past year, what have you been dissatisfied about in your performance?

In the past year, I was dissatisfied with my lack of consistency in studies. I realized that I was not managing time properly.

Q.16: Rate yourself out of 5 in verbal communication. What are you doing to improve your communication skills?

I would rate myself 2.5 out of 5 in verbal communication.
To improve, I am:

watching english content, trying to communicate more confidently.

Q.17: Who is your role model? What qualities of that person you would like to see in your personality and why?

My role model is a successful person in the tech field who has achieved success through hard work. I admire: Discipline, focus and continuous learning.

Q.18: Write a few lines about your friends. Do you think they help/ may help you in achieving your goals? If yes, how? If no, why do you accompany them?

My friends are supportive and motivating. They help me stay positive and sometimes push me to improve. Yes, they help me achieve my goals by encouraging me and sharing knowledge.

Q.19: Write 3 leadership qualities. How many do you possess? Write an instance where you have applied those qualities.

1) Decision-making
2) Responsibility
3) Team coordination
While working on a project, I took responsibility

For completing tasks and coordinating with others.

Q.20: So finally, tell us something more about yourself or introduce yourself.

Hello everyone, I am Binbi Negi, a B.tech CSE Student specializing in cyber security. I am passionate about technology and continuously working on improving my skills in programming and development. I believe in consistency, discipline and learning from mistakes. My goal is to build a strong career in the tech field and become a skilled professional.
